CIO Review Selects ChemicalInfo for 20 Most Promising Chemical Technology Solution Providers 2014

Annual list showcases the 20 Most Promising Chemical Technology Solution Providers

Dallas, TX —February 24, 2015—CIO Review (www.cioreview.com) has chosen ChemicalInfo (www.chemicalinfo.com) for its 20 Most Promising Chemical Technology Solution Providers 2014. The positioning is based on evaluation of ChemicalInfo's success in offering comprehensive and secure information resource to buyers and sellers of certified chemical and pharmaceutical materials and products.

The annual list of companies is selected by a panel of experts and members of CIO Review's editorial board to recognize and promote technology entrepreneurship. "[ChemicalInfo](http://www.chemicalinfo.com) has been on our radar for some time for stirring a revolution in the Chemical Technology space, and we are happy to showcase them this year due to their continuing excellence in delivering top-notch technology-driven solutions," said Harvi Sachar, Publisher and Founder, CIO Review. "ChemicalInfo's solutions continued to break new ground within the past year benefiting its customers around the globe, and we're excited to have them featured on our top companies list."

"ChemicalInfo is honored to be recognized by CIO Review's panel of experts and thought leaders," said Ernie Cote, CEO. "With a complete overhaul of our system, and significant investments to the data interface along with new integration features and user-experience enhancements made in 2014, we are truly excited about the [next generation](#) of ChemicalInfo and how we can serve the industry."
